

- Notes**
- All dimensions are in metres unless stated otherwise.
 - General arrangement plans Document 2.4 to Document 2.4F are to be used as a location reference for each highway centreline which is then shown in longsection on the longsection drawings.
 - The height of proposed bridges / embankments and the depth of proposed cuttings are indicative subject to the limits of deviation referred to in the order.
 - All structure positions and sizes shown are indicative.
 - All culvert positions and sizes shown are indicative.
 - The proposed works including their specific alignment will be subject to detailed design within the limits of deviation identified on the works plans.
 - Horizontal and vertical deviation of the highway alignments are permitted in accordance with Article 4 of the Development Consent Order.

Legend

- Order Limits
- All blue markings denotes Highway Works
- Cross Sections - see table for references
- Noise Fence
