

We are keen to get your views on the Northampton Gateway proposals – your input will help inform our ongoing work. (Please continue your comments overleaf if necessary)

1. Is the rationale for an SRFI in this location clear with regards to the national policy context and local market strengths and opportunities?

YES

NO

Comments:

2. Do you agree that the refined design of the improvement scheme for Junction 15 would deliver benefits (reduced queuing and reduced congestion)?

YES

NO

*If not, what more do you think should be considered?*

- 
3. Do you think the wider package of highways mitigation works proposed (including the Road Bypass and now including Junction 15A improvements) will deliver local improvements?

YES

NO

*If not, what further works or changes do you think should be considered?*

- 
4. Do you have any comments about the proposed landscaping and screening proposed to minimise visual impacts on nearby communities?

- 
5. What do you think of the on-site layout and design of the SRFI site? Is there anything further you think we should be considering?
