**Subject:** Roxhill Consultation Documents DELIVERY DETAILS (for Friday 6th)  
**Importance:** High

Dear All

You've all helpfully agreed to take a set of consultation documents for the Northampton Gateway consultation process which begins on Monday 9<sup>th</sup> (next week).

The plan is for the documents to be **delivered to you this Friday (6<sup>th</sup>)** so you have them in advance – this includes the relevant Offices for **Road** PC and for **Courteenhall** Parish Meeting, but most of the rest are being taken to your home addresses so I wanted to forewarn you. Also, I am aware that Road PC is not usually open on a Friday.

They are coming from Leamington Spa, and will be brought in a van by Roxhill's own delivery people (not a courier, etc). I understand they will start delivering in the morning (after 9am) and this process could take a few hours so they will be delivering through mid or late morning, possibly into early afternoon.

**If Friday morning is likely to be a major problem for taking delivery of these please let me know. If there is an alternative local address which would be better on Friday please provide full details and a postcode asap (by tomorrow lunchtime at the latest).**

**Alternatively, we could bring them on Monday 9<sup>th</sup> if Friday causes major problems, or if we miss you altogether on Friday** (we will be at the Hilton in Collingtree on Monday for the first exhibition).

The documents are organised in numerous labelled folders, and combined these take up three document boxes.

Many thanks again for your involvement in the consultation process.

Regards  
Steve
